Enter CIC is one of the most renowned and exciting performing arts groups for young people in the North East. Activities include musical theatre, dance, drama, music, guitar, BTEC performing arts, drumming, singing and general performing arts all at a lower cost than you'd get just about anywhere. This is a great place for your child to learn about performing arts, make new friends and develop self belief and confidence. Young people on our programmes have opportunities to participate in large scale performances in spectacular venues. Past performance venues have included Durham Cathedral, Sunderland Empire, Auckland Castle, Gala Theatre, Edinburgh Festival Fringe and theatre opportunities in professional theatres in the West End, London. We provide classes for children of all ages ranging from 3 to 25 years of age. We have our own performing arts premises, which includes a community theatre space. Enter CIC also operates as a production house for original theatre writing in the North East. We are an approved examination centre for performing arts offering an array of qualifications including BTEC, Arts Awards, LAMDA, Trinity College London, London College of Music. Call us on 01740 655437 and see how much you can save and get some of the best opportunities available anywhere in the North East. We operate all year round with a range of classes taking place every evening and at weekends and during holiday periods. We operate from our own premises, so we can accommodate extra sessions or bespoke sessions. Our classes cater for young people aged 3-25 years of age.
