Partial service history. No current MOT. Last year car was serviced (July 2014), fitted with new brake discs and wipers, and the starter motor was replaced in early 2013. Car will need work doing to the rear axle. Comes with original CD player, working heating, spare wheel and other features. Interior in good condition with little signs of wear. There is slight wear to barrel of locks on driver's side and boot problematic. The passenger door is unaffected and driver's door locks as expected.
