There was a mix up with our window order and we have ended up having to replace it with the right one. I have this window for sale. As you can see it has dummy sashes in the middle and two trickle vents either side. It's a lovely window but not the one we ordered. It was put in temporarily whilst we waited for the right one (about a week). It comes with keys and window sill. Still has tape on it, so protected. Measures 2m 29.9cm wide and 1m 33.4cm high.

Paid a lot for this but just want something back. Collection from Ramsden.
