The Nemo is Citroen's compact but practical van and the sister to the near identical Peugeot Bipper and the Fiat Fiorino. All three were developed together and are even built at the same Fiat factory. The Nemo offers compact dimensions, a spacious load area and a decent payload. It's ideal for multi-drop work in urban areas plus it can accommodate a Euro pallet between the wheel-arches (with a couple of centimetres to spare each side). The Nemo has good space for a driver and passenger up to about six feet tall and the cabin is a user-friendly environment with good forward visibility. The controls are light, clearly marked and easy to use. A CD stereo comes as standard, as well as a driver's airbag. Enterprise spec includes air-con, bluetooth and rear parking sensors as standard, The materials used feel robust and hard wearing while the driving position is good with a very car-like feel. Small dimensions help the Nemo feel nimble on the road and even with a few sacks of gravel in the back it proves agile and responsive. The steering is light and the Nemo corners neatly, making it ideal for negotiating town traffic. COMES WITH A SERVICE AND FREE MOT'S FOR LIFE, T&C'S APPLY, ONLY @ WWW.BONDCARSALES
