We are based in Brighton and have 26 years experience in the industry. We are a completely mobile business and serve a 40 mile radius from Brighton, carrying out the installation there and then. We are available 24/7 but you should be aware that this is subject to availability and parts. Our staff are well experienced, friendly and reliable ensuring that they carry out their work as fast as possible.

At 24/7 Towbars we are a fully mobile tow bar company and we are confident that we will not be beaten on price. All our tow bars have a lifetime guarantee for the ownership of your vehicle and 2 years on all electrics.

Delivery can usually be completed within 48 hours and we can source a wide range of towbars including Witter, Westfalia, Brink, Bosal, TowTrust to name a few. We offer our services 24 hours a day, seven days a week so there is no need to worry before your holiday.

We also install car audio systems, no matter what shape your dashboard is.

Also available are car phone kits, helping you stay one step ahead of the law and we can also offer car alarms and reversing sensors.
