Facilitated by a very experienced and understanding airline pilot, and set near The Departure Lounge cafe, our aircraft cabin, our maximum of five-delegate-only courses feature maximum one-to-one attention and provides an enjoyable and relaxed atmosphere. Most of all, our fear of flying courses work

1. You have a world to gain, and nothing to lose
2. With a maximum of 4 people on the course, we can give you our personal attention and meet your individual needs
3. You will have the experience of taking a flight, without actually doing so, allowing you and us to address your needs "for real"
4. You will enjoy the day, because you will share it with likeminded people and because we will make you smile, perhaps even laugh
5. You can bring along a supporter at no extra
