250 gb xbox 360. All games work and never had any problem with loading, they have normal light scratches as been used but nothing deep or really bad. One of the kinect games has not been opened. Has all the leads. Kinect has been used 3 times. Controller is good, the only thing I can say is the middle x home button is a bit sticky but does not get stuck and never had an issue. I'm in croydon. So collection is available any questions ring or mail 07432285613 reason for sale is I have a.
