

Free PS4

Location London, London https://www.freeadsz.co.uk/x-168041-z

Free PS4, I'm leaving the country, its in full working order, i also have Fifa 15 for the lads if you're interested wheyey. Also a few other assorted games which are a bit older. I have one good controller and another one where the Triangle button doesn't work. But otherwise its brilliant. Please take this off my hands, it would be a shame to throw it away, Thanks,
