Get Charity Fundraising Jobs - Work in Fundraising

Location **South West, Cornwall** https://www.freeadsz.co.uk/x-168124-z

The term face to face fundraising refers to the practice of getting donations through genuine interactions with the public. The employees who work in these jobs get to regularly talk to individuals about charities working in their communities. Work in Fundraising, a London company available at Workinfundraising, helps job candidates to locate and apply for charity sector jobs and offers job advice to candidates.
