Acacia Bridals: Give brides the opportunity of conveying an idea or design of their ideal wedding dress they they cannot find or afford on the high street. We can capture that image from either a sketch or picture and can style a gown incorporating their ideas and bring the dress to life using only the highest quality fabrics. Our designers can help you create your dream dress and can advise on style and fabrics and the end result is that a tailor made, bespoke wedding dress has been created and costed out within your set budget. Acacia Bridals have an excellent client satisfaction rate and an excellent turn around time without compromising on quality or customer service. Visit our website to see our client testimonials and see how we have helped brides create their dream dress or contact Jane our local representative for the Birmingham area for more information. www.acaciabridals.co
