

SHRUBSCONTAINER GROWN (3 GBP)

Location

Wales, Mid Glamorgan

<https://www.freeadsz.co.uk/x-168653-z>

Various shrubs for sale, all grown in containers, include evergreen hedging such as Laurel and Lonicera Nitida. The plants I have for sale are surplus to my requirements as I have propagated too many! Various sizes available, prices range from £3 for plants in 2 litre pots to £5 for 5 litre pots. Other shrubs / perennials available include blue flowering purple leafed hebe, golden leafed red flowering weigela, golden leafed white flowering physocarpus, dark purple flowering buddleia, climbing scented white flowering jasmines, white and pink flowering mophead hydrangeas, pink flowering spiraeas and sedum, orange berried pyracantha. Also have 3 litre container grown comfrey plants for sale at £3.50 each, comfrey has many uses including as a composting activator and makes a really rich feed for plants. Not cost effective to send these shrubs by courier due to their size and weight but items can be collected from me, any quantity any size. Contact me for further information. GARDENING QUIZZES I also compile gardening quizzes mainly for use by Gardening Clubs and Societies, really any organisation with members interested in gardening. Please contact me for further details of my web .
