My parents are moving house and can no longer store my stuff so I am selling my DAISY ROCK RAINBOW SPARKLE electric guitar. It comes with a scuff resistant, pearl pink DAISY ROCK hard case with faux fur lining and an internal 'trap door' to store plectrums etc. The case has a lock with key included. There is also a pink and black checked strap, pink amp lead and snark tuner.

About Daisy herself: She is a lovely guitar to play with a rich and full sound and as Daisy Rock is a brand especially aimed at girls and women it is very comfortable to play if you have small hands. There are stars along the fret board and a silvery glitter in the body which reflects a rainbow colours in the light. She is fitted with neon pink DR strings that GLOW in the dark!!

Specs: Pink and white Duncan humbuckers, Fully adjustable 'tune-o-matic' bridge with a stop bar tail piece, Star inlays on fretboard, Sycamore body, Rock maple neck, Volume, tone and 3-way selector, Weighs 6lb 8oz.

The amp is a Kustom Arrow amp 16, I think it's 16 Watt but I'm not sure as I haven't used it in a while but it does work and it's in good condition.

Any questions-just ask!

I am happy to accept cash on.
