Audi A6 Saloon 2.7 TDI S-Line Le Mans Edition , Black Pearl 4 Door Saloon 2008

Bodywork in Very Good condition, Black interior - Very good condition, and very clean, 2 x Immobiliser keys. All pictures are recent, and been taken 24-sep-2015, so pictures shows how the car looks now. SMOKE FREE! MOT till June 2016

This car served me for over 4 years and never let me down. Looks and drive the same, if not better than when I bought it. Car made 160k miles, but still drive like 50k, average +45 mpg, well maintained engine in perfect condition.

99k is covered by Audi main dealer(5 stamps),

thereafter I look after this car by myself, and treat it like my baby ;).

Caring out all services, I can present all bills for filters and oil I bought for it (this is a long life engine serviced every 20k, but I did service every 10-15k miles)

along with changing all filters and oil, always used top brands like BOSCH and MANN for filters, and recommended Castrol Edge Fully Synthetic oil. (Last time serviced in May 2015) One previous owner Audi Main Dealer, so I'm the first private owner.

Only thing has broke down it was a DIS (electronic screen on speedometer), which one has been replaced with brand new 2010 one, which looks better.

Decided to sale it, because need a bigger car for a family purpose.

Only going to point out, what recently has been done and few upgrades ;

1. April 2015 bought 4 x Goodyear F1 Asymmetric II tyres, and cost me nearly 750 pounds along with four wheels tracking and balancing to make sure they will last as long as possible.

2. Rear brakes pads

Front and rear and 4x4 have been replaced in April 2015.

4. All oil has been checked and topped up.

5. European map for sat NAV has been updated to latest version.

6. Rear wheel bearing has been replaced with new one and I got replacement for a second because I bought set of 2

7. Upgraded with Audi Daytime Running Lights (because this model is not equipped with them).

8. tinted windows

9. Safety Features: Driver Airbag, Passenger Airbag, Side Airbags, Anti-Lock Brake ,

Stability Control (ESP), Immobiliser, Electronic Hand Brake ,

10. Each wheel has cost me about 100 pounds
