The apartment featured here is a very attractive Studio Apartment situated within the Hotel Bermudas, This pleasant hotel is in the Rincon De Loix area of Benidorm, only five minutes walking distance from the Levante beach and shopping area. The apartment has twin beds, a well-equipped kitchen (fridge, microwave, washing machine etc), television, video and local satellite TV. The balcony overlooks the swimming pool and gardens, with facilities for games like mini-tennis and volleyball. There is also a restaurant, bar-cafeteria, and dance-floor. The beauty of having your studio in the hotel is you can use all the hotel amenities, If you don't feel like cooking you can nip down to the hotel's restaurant, If you feel like a cold drink just nip down to the bar, or better still take it back up to your room for a nice quite night in, on the veranda. All this and more, without having to leave the security of the hotel. There is also a selection of over two hundred films (new and old). And over one hundred music albums for our guest to watch and listen to at there own convenience. Although the apartment is only suitable for two adults, cots may be hired online if you would like to take a child or infant. As from the beginning of March 2014 the hotel will be under new management and will undergo some major changes, including a complete rewire, new heaters & showers. It will then be known as "Bermudas Apartments". All returning guest will receive a massive 15% discount (except on long lets) on there next.
