Coms Maintenance - are a small professional, Telephone, Broadband Wi-Fi & PC engineering business. Coms Maintenance was setup by an ex BT engineer in 2003 dealing with mainly residential and small businesses working from home. We cover Horsham and the surrounding areas throughout Sussex, south of Surrey and east of Hampshire. We Offer a range of services from new installation to maintenance and repair. We know just how difficult and frustrating it can be to resolve Telephone, Broadband, Wi-Fi & PC problems with your service provider. Coms Maintenance saw that there was a growing demand in the market for a more hands-on and uncomplicated approach to either installations or everyday maintenance problems that occur with Telephone lines, Broadband, Wi-Fi & PC's. So we set up in business to offer just that. Coms Maintenance has over 27 years of experience covering a wide range of products. We can advise on most aspects of Telephone, Broadband, Wi-Fi & PC equipment and services, which are suitable for residential and small businesses. We pride ourselves with our attention to detail and on listening to our customer's needs, matching the most suitable products for them. This will usually mean making substantial savings on buying the equipment they need rather than equipment that may be over-specified for the.
