What we have here is an almost brand new Yamaha XV950R in stunning camo green, the bike is in exceptional condition as you can imagine!! This XV was bought from us 4 months ago by a local customer wanting to make the leap from sports bike to custom and that he did. This move unfortunately was not right for him and he has now PX the XV950R for one of our GSXR1000, This has left us with something really quite special a Yamaha XV950R with only 1168 miles on the clock and it comes with an Akrapovic exhaust, Genuine Yamaha Sissy bar, Genuine Yamaha front fly screen and cowl, genuine Yamaha Rear rack and genuine Yamaha air box cover adding about an extra £1200 to the value of the bike. All this and an immaculate bike for only £7199, if you were to buy new and fit these lovely little extras plus your on road charges you will be looking at about £9134, so its a no brainer, if you are looking for a stunning cruiser then don't miss out on this perfect opportunity to own this lovely bike!! It also comes with its first service, HPI checked, 18 months Yamaha warranty and.
