The 2014 Triumph Street Triple R is right up there when it comes to top notch naked sports bikes. Still sporting the Datona 675 R engine, the Triple R excels in every field with superb brakes and handling, cracking new style and it sounds absolutely awesome!! This bike is a total head turner in the looks department but most of all its nimble, fast and extremely easy to ride. Triumph have hit the nail on the head with this superb motorcycle!! What we have in the showroom is no exception to that, with a stunning grey and red finish it also has a lovely carbon chain guard, ASV levers, Triumph belly pan, Triumph fly screen and a Triumph rear seat cowl. The bike has been beautifully looked after and only has 5345 miles on the clock and plenty of life left in the pirelli's. All in all don't miss out on one of the best naked bikes made that will give you goose bumps the size of walnuts!! It also comes with the remainder of Triumphs 2 year warranty, HPI checked, FSH and.
