Situated at Beech Hedge Caravan Park in beautiful rural Perthshire - gateway to the Highlands. Lovely condition throughout - quiet friendly site and van location is one of the best - snuggled into a bank, last on line, private and relaxing. NO Van AGE policy on this site, that's a biggie. No touring vans, tents or campers - just Holiday Statics and Chalets. An ideal base for exploring, skiing or just enjoying what the locality has to offer, lovely old Pub/Hotel just 2mls away & Blairgowrie (5mls) has a large choice of shops, hotels, restaurants etc. Fully fitted out - TV, Microwave, Kettle, Toaster, Cutlery etc. Site Fees paid till April 2016 - currently around £1500 per year. Postcode for site is PH26DU. Please note - van is NOT at position shown on map, Google Postcode. Email or contact on 01381873261 or 07500285679. Repriced due to change of site rules - originally buyer had to pay them 15% of sale price - now seller has to cough up. (Me!). Deck and railings jet washed last week and picket fencing/skirting given a refresh. Price reduced to £9500 - lucky you! Further reduction to £9000 - doing this from hospital bed as result of head on smash resulting in broken neck, two other spinal cracks plus cracked sternum - I need this gone - too much else on my.
