If you're a sport lover and, in particular, a keen cyclist, don't miss out on the BW LED light tube for bikes (pack of 2). Its easy installation and resilience will make it a firm favourite in your household. You'll especially appreciate it if your little ones love riding their bikes too but you worry about their safety - the light tube will increase their visibility in the dark.

These LED tubes are easy to install, simply attach around your wheel spokes (10 cable ties included for attachment). Additionally, if the rain catches you out, you won't need to worry as they are water resistant. Approx. length of each tube: 216 cm. Range of approx. 40 horas. Battery operated (3 x AAA, not included). Voltage: 4.5.
