Most of us know what its like to diet, however LighterLife is a completely different weight loss program. We know that diets alone don't work - the secret to maintaining weight loss is all in the mind. Our approach to weight loss changes your attitude to food and helps you break the cycle of losing weight and then putting it back on. We use proven techniques to help you understand why you eat the way you do, which help you to keep the weight off. Why not contact me today to find out more about LighterLife and how it could change your life? Janette 01279
