

## Toshiba 14N21B2 14 inch silver TV (5 GBP)

## Location

**London, London**

<https://www.freeadsz.co.uk/x-169794-z>

This 14inch Toshiba TV works OK and is in fair condition but it does have a green tint on the screen for a few seconds after you turn it on then it disappears and the TV works normally. It includes Front AV so it's ideal for playing Playstation, Xbox and Nintendo console games on. The TV comes by itself only, Remote Control and Aerial are not included. Camden,.
