Marks & Spencer Charlotte Sofa. 2 seater. Size: H94.0 cm x W158.0 cm x D96.0 cm Very nice quality and in clean condition. M & S say "A timeless shape and family favourite that lets the upholstery steal the show. With elegant scroll-fronted arms, beautiful proportions and classic lines." All covers are removable which have been dry cleaned a few times. Still a current model and new covers can be ordered from M & S if required. The photos don't do it justice...the flash from my camera and sunshine through window show light shadows. Come and see no obligation to buy. Collection only from Warwick. Only selling due to house move and not needed now. If you have any further questions please ask. Thank you for.
