Don't pay too much for your investment, opportunities in Northern Ireland. I am an agent with over 15 years experience in Belfast, offering a personal property sourcing service, to include, sourcing suitable property, negotiating, putting you in contact with a credible solicitor, access to an independent mortgage broker if necessary and seeing property through to completion, tenant services also offered, we can look after all aspects, from buying to letting property out. Good rental yields and extremely high demand from tenants, just as a sample, a house potentially could go for £65/75k and achieve £500/550 per month. Agent/sourcing fee is £2000 and payable upon exchange of contracts.;
