A cheap way to get yourself on a Ducati Superbike! This 1098-S has only one previous keeper and will get the full service with belts and valve check before going to its new owner. In good condition and with the booming Termignoni exhaust, as well as Ohlins suspension front and rear and significant service history, this bike is great value for money. Call Andrew or Julian for more details or to secure this 1098-S with your.
