Learn Italian with me, a fully qualified language teacher (TESOL Certificate). Whether you're a complete beginner, or want to improve your Italian, I can help. I understand the challenges of learning a new language (from my own experience) and I can offer you individual tuition specifically to meet your needs. We would initially meet over a coffee, so that I can assess your ability and what you're looking to achieve, etc. There is no cost and no obligation for that. Please call or email me, Barbara, to find out.
