## TASCAM DP-02 CD

In excellent condition It doesn't get any easier than the DP-02 Digital Portastudio 8-track Digital Portastudio / Recorder that makes recording fun, ditching menus for simple knobs and faders.

Dedicated controls for level, pan, effects send and EQ instead of the menu-cursor interface found on most other recorders.

Make music with two hands with the DP-02 - just reach and twist a knob when your creativity strikes. The DP-02 records up to 8 tracks to its built-in 40GB hard drive.

Two CD-quality XLR mic inputs includes phantom power for condenser mics and a direct guitar input.

High and low EQ controls for level and frequency are provided for every channel.

It also includes a multi effects processor, stereo reverb, even a dedicated stereo channel for recording your mix. You can transfer tracks and mixes to a computer using USB 2.0, or burn a master disc in the CD drive. Complete with instruction manual, mains lead and almost new carry case Surplus to requirements. £125 or very near offer Buyer to collect . Cash on collection preferred -

Can post at buyers expense and risk.

Payment can be made by.
