2012 Renault Kangoo ML19 DCi 90ps finished in factory white and comes fitted with the 1.5 diesel engine putting out 90ps that has done just 55,000 miles from new. The van is in great condition both inside and out, it comes with built in Tom Tom sat nav, bluetooth handsfree radio with media streaming function, full steel bulkhead, side loading door etc... A great looking van with low running costs. The rear load space can be fully lined and we can also have roof racks and towbars fitted. Just ask. We are a family business established in 1978 and are extremely select in each and every van we offer... we dont sell bruised, battered high milers low mileage one owner damage free vans is what we are all about.
