2010 Ford Transit 350 MWB 2.4TDCi fitted with alloy milk float body and insulated rear storage boxes. Ex 'Dairy Crest'. By far the lowest mileage one we've seen to date with only 56000 miles from new, comes complete with spare key & full 'in house' service history and associated paperwork. Also been maintained regardless on a 13 week safety inspection cycle which really demonstrates professional fleet management. A beautifully well kept vehicle, not a rough hard worked high miler like so many others are. Ready to serve reliably in its next life. LOW COST UK DELIVERY please enquire. See the live video and commentary of this van on our own website. All vehicles fully checked & inspected by our own workshops. Since 1978 we have been selling light commercials across the entire UK from Glasgow to Inverness, London & Birmingham, Manchester, Leeds, Liverpool & Newcastle and closer to home in Edinburgh, Dundee and Aberdeen. As well as all the Scottish.
