2011 Renault Kangoo ML19 DCI 70 finished in factory white with the 1.5 diesel engine that has done just 68,000 miles from new. This van is totally flawless inside and out, the van comes fitted with built in TomTom Sat Nav, Bluetooth with media streaming, side loading door, full bulkhead, steering column controls etc... A great van with excellent running cost from its super efficient engine and loads of rear load space this really is a great van up for grabs. We are a family business established in 1978 and are extremely select in each and every van we offer... we dont sell bruised, battered high milers low mileage one owner damage free vans is what we are all about. See the live video of this van at Since 1978 we have been selling light commercials to our customers across the UK. On a daily basis we sell vans from our base in Glasgow to Inverness, London & Birmingham, Manchester, Leeds, Liverpool & Newcastle and closer to home in Edinburgh, Dundee and Aberdeen.
