This Christmas, United Theatre invite you to join them as they retell one of the most magical stories of all time. Wishes, magic & silliness abound as we follow the story of 'Pinocchio', the wooden puppet built by Gepetto, to give himself and his wife Sylvy the family they have always wanted. With the help of Fairy Luceila, the wood is imbued with life and the puppet lives before their very eyes. But where there is magic, there are those who seek to misuse it. Pinocchio and his best friend Jimminey Cricket are followed by two ne'er do wells, Grabbit & Grobbit, who seek to destroy this happily ever after. Throw into the mix a dotty Dame and her two children to make ends meet, the enchanting Rosie Ragdoll and a magnificent ensemble cast and you have the perfect recipe to make all your christmas wishes come true!
