1976 Diesel has been dry stored from 1966 as was before I collected it, due to other interest I will not restore, the Landrover is very sound & tidy, chassie in good condition other than o/s dumb bell small patch & n/s out rigour needs needs replacing. o/s rigour small patch weld. rest in good condition. Bulk head small hole (see picture) rest is ok. clutch hydraulics not working, locked in 4wheel drive, front wheels turn while suspended tow out of barn. Engine is complete cannot tell if tight or locked to transmission,tyres,brakes need overhaul, V5 . nice square project. welcome to inspect any.
