

Best Autism Treatment for Children in Bolton

Location **North, Lancashire**
<https://www.freeadsz.co.uk/x-171479-z>

ASC Healthcare clearly recognises and endorses the philosophy that a hospital is not a home, but a place for extra support during a critical time in a person's lifetime. A child will be considered to be in need as a result of their disability if they have a substantial and permanent physical, visual, hearing, or intellectual impairment and that, resulting from this impairment, the child is limited or prevented from undertaking activities appropriate to their daily living.
