A Vintage 1970's Formica Topped Nest of Three Tables, ideal for any hall or living area. These tables are truly stunning with no scratches or marks on the veneer tops.

With gold retro edge trim around the table edges, these would make a wonderful addition to any retro styled place. The tables have wooden legs that are teak stained and original too !! The largest table measures - 20" wide / 51cm x 15.5" deep / 39.5cm x 15" high / 38cm

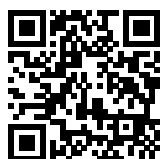

The middle table measures - 15.5" wide/ 39.5cm x 15.5" deep/39.5cm x 14" high / 35.5cm

The smaller table measures - 14.5" wide/ 37cm x 10.5" deep/ 27cm x 13" high / 33cm There is some slight damage to one of the underside of the smallest table by the leg, but in no way has this effected the stability or aesthetics of the table at all. A fantastic retro find !! (Ornaments not!!)
