**Product Information** The Bugaboo Cameleon travel system stroller is a multi-terrain foldable stroller designed to carry your newborn or infant. The wheel suspension on the Bugaboo stroller ensures a smooth ride for your child. With an adjustable handle height support on this Bugaboo Cameleon travel system stroller, you can adjust the height of the handle and also reverse it for comfortable strolling. The multi-terrain foldable stroller has a wheel swivel lock to prevent the movement of the swivel wheels in the slide floors. The Bugaboo stroller has a hand brake, helping you to stop the wheel movement easily and quickly during critical situations. Skype: electworld.ltd <http://electroworldtd/>
