UNIQUE & EXCLUSIVE RUGBY FAN EXPERIENCE SOUTH AFRICA VS NEW ZEALAND SEMI FINAL FINAL TRAINING SESSION - RUGBY WORLD CUP - TWICKENHAM / LONDON This is a very special and unique experience for 1 lucky fan (1 place available) to come along with myself and watch their team train for the South Africa vs New Zealand semi-final game at Twickenham Stadium in London. This should include meeting the team in person and coming out with them onto the pitch to watch them train for the Semi-Final game (full details to be confirmed) (photos will be allowed). This truly is a money can't (usually) buy experience that any Rugby fan would love to be a part of. This will be a "Captains Run" and so will be a training session run by the captains not the coaches. Please Note: This experience DOES NOT include tickets to the match the next day. Timings TBC, Date: Friday 23rd October. Location: Twickenham / London Open to offers, £100 Starting minimum, Best offer accepted. Cash in hand / Face to Face meet. Please call me on 07528074685 / inbox me for more info. NB: I am still waiting on full details for the event from the promoter and will update this advert.
