A real nice example of this always popular BMW 316 Compact in a lovely metallic gold. Good spec with power steering, central locking, air conditioning, CD player, electric windows, alloys and traction control. In very good condition inside and out for its age with a remarkably low 55,000 miles on the clock and full service history. A superb small BMW and a very rare find. Comes with a May 2016 MOT (no advisories). Central Locking, Air Conditioning, Electric Windows, CD
