Couriers Europe provide a professional dedicated service for companies and individuals moving goods between UK and Spain. Our UK office is in North Wales and we have a depot in Almeria, Spain. We use 3.5t vans holding up to 10 cubic metres and 1000kilos. We have full insurances, straps and blankets to ensure your goods are safe. Couriers Europe is a family run business with all our drivers being family members, thus giving you the client the very best service possible. Our Motto is Couriers Europe on Time Every Time. We are contactable by phone or email 24/7 so you are kept fully in the picture where your goods are, our drivers all have phones to ensure the best of communications. Our drivers are helpful, friendly, honest and experienced in driving in the UK and in Europe. Our vans are clean and have not been used to carry rubbish or builders rubble. Our prices are competitive and are from £1.00 per loaded mile. We can collect and deliver from anywhere in the UK and Spain. Why not call now and see if we can assist you. Tel: 0151 324
