South East, Berkshire Location https://www.freeadsz.co.uk/x-171879-z

This publication is in good condition but bears minor tears to the sleeve. The item commemorates the first hundred years of 'Spurs' feats in the fine art of soccer, Liberally illustrated with rare pics, published in 1982 & compiled by Phil Soar. For 'Lilywhite' followers this is a superb publication. Personal collection only as this is a weighty.
