£299 RENTAL PRICE The Falcon Go-To Is a lightweight 6061 alloy framed folding bike with a compact fold for easy transportation and storage. Ideal for commuting, storing in small spaces or easy transportation in a car boot, the Falcon Go-To is quick to fold, lightweight and a great spec for daily use. The frame folds via a 2-part locking mechanism to ensure the catch safely remains locked when in use, and can be operated with one-hand. The 20 inch wheel allows for a compact fold but is sturdy and efficient when ridden on paved surfaces. Lightweight alloy wheel rims have a double wall construction for extra strength and 36 spoke lacing onto a lightweight alloy hub provides a robust and strong construction. Smooth rolling city tyres are efficient and comfortable when ridden on the road or pavement. The longer 500 mm seat post, also made from lightweight alloy, allows for plenty of saddle height adjustment to suit the rider and is fitted with a quick-release clamp to assist in folding the bike quickly. The handlebars are low-rise for a comfortable ride and feature a 1-piece fold with quick release clasp, and are height adjustable via a second quick release clasp. 7-Speed Shimano gearing generates a wide range of gears to allow you to tackle all terrain, and are operated by a Shimano Revoshift rotational shifter for simple to use lightweight gear changing. Alloy 3-finger brake levers provide stopping power to the dual alloy V-brakes for controlled and reliable stopping power in all weather conditions. Front and rear plastic mud-guards with extension flaps provide great protection from the elements and are flexible so resist knocks and bangs. The Go-To is fitted with a rear luggage rack to allow for easy transportation of luggage and
