Hi, I am a 58 year old Portuguese woman in urgent need of accommodation in Cardiff, so I wonder if anybody has maybe some empty accommodation and needs a house sitter? Due to a very complicated divorce I need to save all my money to pay for solicitors' costs and therefore I can't afford to pay for accommodation right now. It will probably be for just a few months. Maybe someone needs a bit of companionship..... I could clean, cook and do the shopping for you? I am very trustworthy and can get you good references! I am very thankful for any help you can give.
