I bought this from a reputable seller online so as far I know it's fully working but I haven't tested it, hence it's brand new. Inside the silver box it comes with you get: 8GB Digital Media Player Stereo Earphones USB Cable Video conversion CD User book Features: 1.8" TFT LCD screen. Built in (JPG, BMP) Picture browser Supports: MP3, WMA, WAV format Video Support: AMV format Built-in FM Radio Microphone Can also be used as an external Thumb.
