Angelic Nails is based from a home treatment room in Walnut Tree (MK) Shellac is the breakthrough UV3 technology that combines the ease of polish with the performance of gels. A true Innovation in Chip-free, extended wear high gloss colours ... No filing, No Drills.....The Result? Glorious high gloss colour shine that is truly addictive! Minx wraps are a solid film with an adhesive backing that is heat activated. The heat gives the foils the conformability to fit over the compound curve of a nail, and seals the film onto the bed. It dries instantly, so no smudging or chipping. angelicnails-mk.co
