<https://www.freeadsz.co.uk/x-172650-z>

Exceptional and perfect in every way , first cross . both parents are best friends and sole companions , both have full pedigree dad 'miko'has deep blue eyes and is a blue point Siamese 5 grand champions in his blodline ,mum 'peaches ' is a British shorthair has large light blue eyes, is blue torte colour point she has blue and cream in her past pedigree history. Both are 3 months old. Kittens are home raised kittens handled from birth . There are two boys and two girls in this her first litter .we are keeping the small female. 1st male (Indiana Arctic snow-dragon) pure white with apricot colour point ears and tail so far . Feet may follow should keep his deep blue eyes and he is most like dad. long limbed and the leader and explorer of the group . 2nd male (Blue Lake smoke dragon) smokey blue colourpoint , more compact ,soft and gentle gorgeous blue sad eyes. Female ( Tigerlilly sapphire silk dragon) an absolute sweet heart totally adorable . We are waiting for any.
