Indigo13 can design & build your contemporary wood items, for both home & garden. All our designs are totally unique and use hard wood materials sourced locally in mid-Sussex. We can also blend hard woods with other materials such as acrylic, mirrors, glass, metal, and stone to produce beautiful one-off designs that would add grace and elegance to your surroundings. Based in mid-Sussex our ever expanding range includes: - Occasional or coffee tables, console tables, dining tables (slab, plank etc), wall fixings such as 'shelfies' chalk/cork boards, coat hooks, mirrors, key holders, tablet stands, wedding treasure boxes, house signs (gallows, wall hung, twin post...), pet sleeping boxes, garden benches & garden/pool loungers, and outdoor garden 'rooms', decking, and designer fencing. Bespoke solutions for your space and requirements. Let me bring your design ideas to life. Design & build services, and project management services also available. Bespoke orders welcomed! Contact Gary Fisher of Indigo13 via email on info@indigo13.co.uk, or via my website www.indigo13.co.uk. Happy to discuss ANY wood-related project that you might be considering for indoors or out of any size or nature. Always unusual, always...
