I am Sophie, native French . I offer Flute lessons to total beginners and intermediate level. All ages welcome! You can never be too young or too old to start an instrument! As a specialist flute player and teacher I am passionate about the instruments I teach and this comes across in my lessons. I tailor your lesson to your individual needs and can help you play confidently and enjoyable in a relaxed environment and in comfortable manner. I specialize in beginners to develop good posture, good sound and excellent technique right from the start to establish a strong base which can develop at any time. Breathing is the focus of a wind player so that is something that often gets mentioned within our lessons. To book your first lesson contacts Sophie! I have worked in France and uk and learned with Marlene Verwey,Christine Frigo, Ingrid Van Boheemen Looking forward to hearing from.
