The Multistrada 1200 S GranTurismo has all the features of the S Touring but decked out with full-house accessories! Larger panniers, top box with backrest, touring screen and contrast-stitched touring seat, engine protection bars as well as LED driving lights. All this on top of the Ducati Ride Modes and Skyhook semi-active electronic suspension! This one-owner bike was sold and fully serviced by us and has only 3239 miles, as well as having a Termignoni carbon slip-on exhaust fitted. Fantastic value and factory warranty with Ducati Roadside Assist until September 2016. Low-rate finance and nationwide delivery available, call Andrew or Julian for more details.
