This 1199 Panigale ABS was our 2013 demo bike and has since been with its only other keeper. In excellent condition and with full Termignoni race exhaust and carbon heat shield, OEM parts come with it as well. Full service history here with us and a fresh service before going to its new owner. Don't like the white? We also have other 1199 ABS and S-ABS Panigales in stock and available immediately! Call Andrew or Julian for more details and to secure your Ducati.
