## Mechanical

This vehicle is less than 5 years old and has been professionally maintained and changed

The car parts that have been replaced over the last 2 years are:

1. New and durable wheel at

Glow plugs

1. New timing belt and water pump at 50K

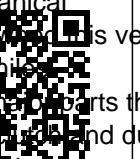

2. New rear springs and shock

3. New tyres fitted to the front last year

I have just put the van through an MOT so it has 12 months remaining

Please leave me your phone or email and i will contact you ;
