This is a good spec PC able to play decent games at a good level. Word processing, internet search etc will be very quick with 6GB RAM and an i5 processor. It is fully clean inside and out. There may be a few cosmetic scratches on the case. The screws for one of the sides are missing but the case still sticks shut.

I have already installed Windows 10 (Genuine) for you. It is at factory settings ready to get started. If you need anything installed just ask.

Comes with wired Dell mouse and keyboard. 19inch monitor included.

If you have any questions please don't hesitate to ask. £270 ONO
