We are selling the double headboard and divan base from our guest bedroom. Headboard is lovely solid pine, waxed in light pine finish. Measures 70cm from top to bottom of headboard. Attaches to any divan base using two slats and large bolts, which means you can adjust the height to suit your room. Headboard has felt pads attached to the back (invisible when viewing from the front) to stop the bed damaging walls. Also for sale is the double divan base. It comes in two sections (clip together). Each section contains two under-bed storage drawers, giving four large drawers in total. Drawers are fixed on metal runners and easily pull out on either side of the bed. There was a small tear (approximately 1 inch) in the top of one of the divan sections. This has been mended and can be seen in the photos (yellow stitching). Mattress not included in the sale. These are in very good condition, rarely used as they have been in our spare bedroom. Price: £60 for both items together or £35 for headboard, £35 for divan if sold separately. Buyer must collect from SN5.
